<th>Name of institution</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Name of contact person:</td>
<td></td>
</tr>
<tr>
<td>Mailing address:</td>
<td></td>
</tr>
<tr>
<td>Telephone number:</td>
<td></td>
</tr>
<tr>
<td>E-mail address:</td>
<td></td>
</tr>
<tr>
<td>Date of requested training (minimum 4 months from submission date). Please indicate month and year:</td>
<td></td>
</tr>
<tr>
<td>Location of requested training (city/cities):</td>
<td></td>
</tr>
<tr>
<td>Number of people to be trained in each location and job titles (please list the names and job titles on a separate page):</td>
<td></td>
</tr>
</tbody>
</table>

The typical cost for a training delivered to ten or more people is 1500 Swiss Francs per person. The information above is to provide us sufficient information on the requested training to allow WaterLex to contact donors to financially support your institution.

WaterLex cannot guarantee financial support at this stage but priority for training will be given to organizations that submit their expression of interest first. No payment is required at this stage unless separately agreed between WaterLex and your institution.

Are you able to contribute to the cost, or jointly fund raise? Yes □ No □

Please accept the signature below as our expression of interest in receiving training on water governance and human rights. We understand that this form does not entail a firm commitment and details will be agreed at a later date between the two institutions.

[Official stamp of the institution]  [Official signature]

Motivation

Our motivation to receive training related to water governance and human rights:

Needs

To contribute to the promotion and protection of water-related human rights we need the following knowledge and/or support:

Specific interests

☐ Human rights based approach to water governance: meaning, scope and implementation
☐ Content, international and regional legal framework of water governance related human rights
☐ International and regional protection mechanisms and how to use them for the human right to water and other water-related human rights (Right to a Healthy Environment, Rights of Indigenous People, Rights of Future Generations, Right to Food, Right to Health)
☐ National legal and policy frameworks complying with water governance related human rights
☐ How to integrate water governance related human rights into the NHRI monitoring
☐ How to identify water governance related violations & deal with complaints and redress mechanisms
☐ Sharing experiences, good practices, references and tools with other NHRI
☐ Other:

Next steps

How do we plan to use the new knowledge and skills of the training in our work?

Thank you for taking the time to complete this questionnaire and we look forward to seeing you at a Water Governance and Human Rights Training!
